**With the Angels watching, every sin brings the Earth closer to destruction!**

For five hundred million years, the Angels have been living on the Planet Eden. They have been waiting and watching the blue-green world of Earth from the beginning, documenting virtues and vices of the Earthians. If the wrongs done by all Earthians exceed the rights done by more than ten thousand, the Earth will be destroyed.

Earthian is the story of a pair of angelic investigators, Kagetsuya and Chihaya, sent to the Earth by the Arc Angel Michael. One to investigate the positive side of the Earthians, the other to investigate the negative. The fate of all humanity rests in their hands.

In this four volume series, you'll find the same Angelic/doomsday appeal that the highly anticipated movie from Clamp, X, has enjoyed from fans from all over!
